

HILLER HIGHLANDS FOUR ASSOCIATION

SERVICE PROVIDERS LIST (July 2016)

The HH4 Architectural Control Committee (ACC) maintains a list of service providers (handymen, painters, etc.) who have been engaged by some of our homeowners and have provided good service. While the providers listed are not “endorsed” per se by HH4, they have been used by one or more of our homeowners or are otherwise recommended by credible sources as vendors who provide professional service with satisfactory results.

In addition to this list you may also want to check the Diamond Certified vendor list or Good Service Guide List.
